Monday 12th May 2020

Dear Parents/Carers,

Harvest & Halloween 2020

Finally, we are able to give you some good news and below is some information about events which CAN go ahead in school this month.

This week at Stephenson Memorial, we will be celebrating Harvest and the important messages this brings. Unfortunately, we are unable to invite parents and carers to celebrate with us this year but we would still like to make a contribution to local food banks from us all at school.

If you have any donations you could give to local food banks, please could we ask these are brought to school before *Thursday 22nd October 2020*.

To collect your donations this year, we will be putting a clean wheelie bin outside the office so that you can put any contributions straight in there.

The foodbank ask for donations of:

- Dried goods-cereal, flour, pasta, rice etc
- Tinned meat and fish
- Tinned beans and vegetables
- Tinned fruit
- Condiments and spices-salt, pepper, mayonnaise
- Long life juices
- Toiletries

Any donations would be very gratefully received.

Another event which can't go ahead as normal this year is Halloween. Usually we would host discos & events at school but unfortunately this year we are unable to do this and we recognise that it's unlikely that any usual events will go ahead outside of school also, due to restrictions.

Therefore, in an effort to ensure Halloween 2020 still goes ahead, we are inviting all children to come to school wearing HALLOWEEN COSTUMES (or non-uniform) on Friday 23rd October 2020.

We will continue to try our best, to bring joy to your children at this strange time. Thank you for your continued support in all we are doing at school.

Yours sincerely,

Mrs C Garrett
Deputy Headteacher
